Honorable Board of Commissioners
Community Development Commission of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE AMENDMENT TO LOAN AGREEMENT WITH GAGE VILLAGE
RESIDENTIAL DEVELOPMENT, LLC TO REDUCE HOME PROGRAM FUNDS,
AND ALLOCATE CITY OF INDUSTRY HOMEOWNERSHIP PROGRAM FUNDS
FOR NINE AFFORDABLE HOMEOWNERSHIP UNITS IN UNINCORPORATED
FLORENCE (1)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve Amendment No. 1 to the Loan Agreement (Agreement) presented in substantially final form, between the Community Development Commission (Commission) and Gage Village Residential Development, LLC (Developer) to decrease the HOME Investment Partnerships Program (HOME) loan funds for eleven homebuyers at Gage Village, by \$5,087, from \$1,938,472 to \$1,933,385.
2. As part of Amendment No. 1 to the Agreement, provide secondary financing in a maximum aggregate amount of up to \$575,000 in City of Industry Homeownership Program (Industry) funds, for the qualified buyers of nine Gage Village homes.
3. Authorize the Executive Director to execute the Amendment No. 1 to the Agreement, and all related documents necessary to complete the secondary financing of the homes, to be effective following approval as to form by County Counsel and execution by all parties.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to amend the Agreement between the Commission and the Developer to increase the amount of homebuyer assistance available and to expand the Commission's homebuyer assistance to four additional homes. The total number of assisted units in Gage Village will increase from eleven to fifteen. This action also provides a small reduction in the amount of HOME funds previously approved by your Board.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund.

With this Amendment, the number of homebuyers receiving assistance from the Commission in this project will increase to a total of fifteen. Six homebuyers will receive HOME funds, four will receive Industry funds, and five will receive both HOME and Industry funds.

Under the original Agreement, \$1,938,472 in HOME funds were approved for assistance for eleven homebuyers, as 30-year, zero interest deferred payment loans, evidenced by a Promissory Note and secured by a subordinated Deed of Trust. The loans are repayable upon sale or transfer of the home, and are forgivable if the original homebuyer owns the home for thirty years. The HOME assistance is now being reduced by \$5,087 to a maximum of \$1,933,385, and the maximum HOME loan will not exceed \$186,277 per homebuyer.

Industry funds in an amount not to exceed \$575,000 are being allocated to assist nine homebuyers, as 45-year, zero interest deferred payment loans, evidenced by a Promissory Note and secured by a subordinated Deed of Trust. The Industry loans are repayable upon sale or transfer of the home, and are forgivable if the original homebuyer owns the home for forty-five years. Five of the HOME-assisted buyers will be eligible to also receive Industry assistance, and four other homebuyers will receive Industry assistance only. Industry assistance will not exceed \$100,000 per homebuyer.

A Financial Analysis is provided as Attachment A.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

A Loan Agreement was entered into between the Commission and the Developer on June 24, 2005, to provide up to \$1,938,472 in HOME funds to help finance the sale of single family homes to low-income homebuyers at the Gage Village development. This

Agreement is now being amended to provide additional funding and to increase the number of homebuyers being assisted.

City of Industry Redevelopment Housing Set-Aside Funds (Industry Funds) consist of tax increment funds collected by the City of Industry's Redevelopment Agency that have been transferred to the Housing Authority of the County of Los Angeles (HACOLA) to administer for the development of low-income housing. It was previously necessary for HACOLA to enter into loan agreements for the Industry funds. However, on December 20, 2005, your Board and the Board of Commissioners for HACOLA authorized the Commission to administer Industry funds on behalf of HACOLA, for projects being funded with a minority of Industry funds.

The amount of the proposed loan of Industry funds for Gage Village is less than the HOME funds in the project; therefore, the Commission's Agreement for HOME funds dated June 24, 2005, is being amended to add Industry funds to the project. The Commission will administer all funds in the project, while HACOLA will monitor the project for adherence to Industry regulations and requirements.

The Amendment to the Agreement will also decrease the HOME funds for the eleven HOME-assisted homebuyers at Gage Village by \$5,087, from \$1,938,472 to \$1,933,385, due to the addition of Industry funds to the project.

Gage Village Residential Development will consist of 32 single family homes, to be located at 1503-1641 East Gage Avenue in unincorporated Florence. The 1.64-acre site is currently vacant. Fifteen (15) homes receiving homebuyer assistance will be set aside for qualified first-time homebuyers with household incomes that do not exceed eighty percent (80%) of the Area Median Income (AMI), as defined by the U.S. Department of Housing and Urban Development (HUD) for the Los Angeles-Long Beach Metropolitan Statistical Area. The remaining seventeen (17) homes will be sold at the market rate as determined by a third party appraisal approved by the Commission. All homes will be 1,389-square-feet in size and have three bedrooms, two-and-one-half bathrooms, and a two-car attached garage.

ENVIRONMENTAL DOCUMENTATION:

An Environmental Assessment was prepared for this project pursuant to the requirements of the National Environmental Policy Act of 1969 (NEPA). Based on the conclusions and findings of the Environmental Assessment, a Finding of No Significant Impact was approved by the Certifying Official of the Community Development Commission on July 21, 2003. Following the required public comment period, the U.S. Department of Housing and Urban Development issued a Release of Funds for the

Honorable Board of Commissioners

project on September 19, 2003. The HUD NEPA process does not require an action by the Board of Commissioners.

Pursuant to the requirements of the California Environmental Quality Act (CEQA), and consistent with CEQA Guidelines, an Environmental Assessment/Mitigated Negative Declaration (EA/MND) was prepared for this project followed by the required public comment period. The Board of Commissioners' adoption of the EA/MND and the Mitigation Monitoring Plan on June 21, 2005 and filing of a Notice of Determination, meets the requirements of CEQA. Approval of the EA/MND was done in conjunction with the Board of Commissioner's approval of the original HOME Loan Agreement.

IMPACT ON CURRENT PROJECT:

Approval of the Agreement will increase homeownership opportunities for low-income buyers in the County.

Respectfully submitted,

for CARLOS JACKSON
Executive Director

ATTACHMENT A FINANCIAL ANALYSIS

Gage Village
1503-1641 East Gage Avenue, unincorporated Florence

The project consists of 32 single-family for-sale units in the Florence area of the unincorporated County. Fifteen units will be reserved for families with household income not exceeding 80 percent of the area median income (AMI) for the Los Angeles/Long Beach Metropolitan Statistical Area (MSA), adjusted for family size. Nine of these fifteen units will receive assistance from City of Industry Homeownership Program secondary financings (Industry Assisted Units), which make homeownership feasible for the targeted families without a sizable down payment. Eleven affordable units will receive assistance from the HOME Investment Partnerships Program (HOME).

16. Section 3 to Exhibit J, the Commission Requirements to the Agreement, shall be amended to read as follows:

Commission will evaluate Developer's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Developer's compliance with all contract terms and performance standards described in this Agreement and all other documents associated with this Agreement, including the Promissory Note, Deed of Trust and CC&Rs. Developer deficiencies which Commission determines are severe or continuing and that may place performance of the Agreement in jeopardy, if not corrected, will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by Commission and Developer. If improvement does not occur consistent with the corrective measure, Commission may terminate this Agreement or seek other remedies as specified in this Agreement.

17. Sections 22 and 23, and Attachment A shall be added to Exhibit J, the Commission Requirements to the Agreement, to read as follows:

22. Compliance With Jury Service Program.

- A. Unless Developer has demonstrated to the Commission satisfaction either that Developer is not a "Contractor" as defined under the Jury Service Program or that Developer qualifies for an exception to the Jury Service Program, Developer shall have and adhere to a written policy that provides that its Employees shall receive from the Developer, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Developer or that the Developer deduct from the Employee's regular pay the fees received for jury service.
- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Developer. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Developer has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Developer uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.

- C. If the Developer is not required to comply with the Jury Service Program when the Contract commences, Developer shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Developer shall immediately notify County if Developer at any time either comes within the Jury Service Program’s definition of “Contractor” or if Developer no longer qualifies for an exception to the Program. In either event, Developer shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Developer demonstrate to the County’s satisfaction that Developer either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Developer continues to qualify for an exception to the Program.
- D. Developer’s violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Developer from the award of future County contracts for a period of time consistent with the seriousness of the breach.

23. Developer’s Charitable Activities Compliance

The Supervision of Trustees and Fundraisers For Charitable Purposes Act regulates entities receiving or raising charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Developers to complete the “Charitable Contributions Certificate” form included as Attachment A to Exhibit “J,” the Commission seeks to ensure that all Commission Developers that receive or raise charitable contributions comply with California law in order to protect the Commission and its taxpayers. A Developer that received or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.
